3G Modem
So intelligent it's easy

Introducing the new industrial modem by Tosibox®.
Remote access so intelligent, it's easy.

Intelligent

The Tosibox 3G modem seamlessly integrates with the Tosibox Lock, minimizing downtime through the Lock's intelligent automatic reconnect and error recovery technology.

Industry Grade

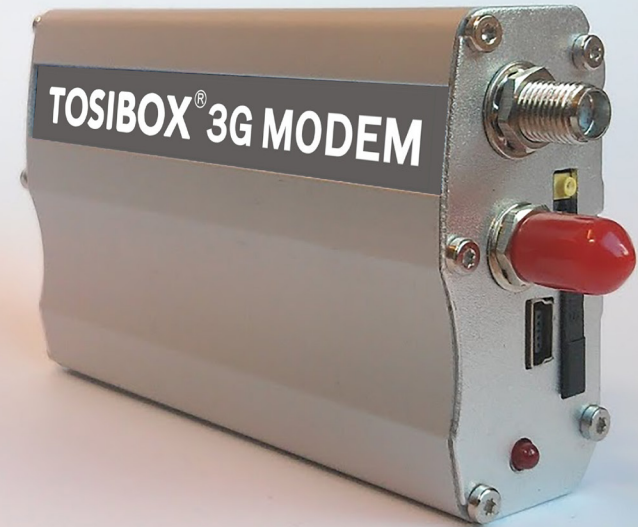

With its industrial hardware design, DIN rail mounting and SMA antenna connector, the Tosibox 3G modem installs easily into your existing infrastructure.

Efficient

Power is supplied through the USB port of the Lock, eliminating the need for an external power supply.

Cost-effective

The Tosibox 3G Modem delivers a 3G internet connection and SMS alarms through a single SIM card, saving you money while delivering a simple solution without compromise.

Technical Data:

Tri-Band UMTS/HSPA 900/1900/2100MHz

HSDPA downlink speed max. 7.2 Mbps

HSUPA uplink speed max. 5.76 Mbps

Automatic APN configuration via Tosibox Lock

Sending and receiving SMS using AT commands

USB 2.0 High Speed interface, mini-USB connector

SMA antenna connector

RS232 serial interface

SIM slot

Operating temperature: -25°C to +70°C

Storage temperature: -40°C to +70°C

Dimensions: 102 x 55 x 25 (mm)

Weight: 110 g
