

L-W22C

LED 

This 21.5" Full HD widescreen display with HDMI input and built-in speakers is a valuable choice for use in either a home or business setting.

The L-W22C is an LED display that comes with a widescreen 21.5" energy-saving backlit panel and offers 1920x1080 Full HD resolution. The display delivers crystal-clear images due to the 30,000,000:1 dynamic contrast ratio and well colour performance and colour contrast. A slim housing that includes built-in speakers and a glossy black bezel complemented by a matte black rear highlights the display's sleek design.
