

SMS PRESENCE SPEED WALL/FLOOR

Powered by you.

SMS Presence Speed Wall/Floor has a clever manual height adjustment, thanks to the integrated BalanceBox. No electrical power is needed for the height adjustment.

SMS Presence Speed Wall/Floor will be the perfect support for touch displays in the office or conference room. This elegant and strong product is designed for displays between 60 and 90 kg, and the smart design will shift the weight to the floor. Furthermore, the stand itself uses very little floor space.

The SMS Presence Speed Wall/Floor fully hides cables, and also has room for a media player.

Finish: Aluminum/Dark Grey. Stroke length: 400 mm. Display weight range: between 60 and 90 kg.
